## Passport Executive PA

Crystal-clear sound. Compact. Convenient. The Passport Executive is the ultimate portable sound system for the mobile presenter on the go; ideal for meetings, seminars, tours, presentations and so many other uses—any situation where you need to raise your voice without raising the roof, so that you can communicate as effectively as possible with your audience.

The new Passport Executive is about the size of a small briefcase, it's easy to use, easy to move and easy to set up, all of which make it easy to like as the perfect solution to all of your small-group audio support needs. The Passport Executive lets your voice be heard with 100 watts of clear stereo sound through state-of-the-art NXT flat-panel speaker technology, all in a slim, lightweight design that slips easily into its included laptop-style form-fitted travel bag.
